Docket No. CP2009-12

**UNITED STATES POSTAL SERVICE QUARTERLY UPDATE IN RESPONSE
TO ORDER NO. 162**
(July 1, 2011)

In Order No. 162, the Postal Regulatory Commission (Commission) added Inbound International Expedited Services 2 to the Competitive Product List.¹ That order also directed the Postal Service to file a quarterly update of the “list organizing the [inbound Express Mail Service (EMS)] agreements to be grouped under each of the three tiers” of service.² The three service tiers included the following:³

- 1) Pay-for-performance: Members of the Kahala Posts Group and EMS Cooperative members who elect to comply with pay-for-performance provisions;
- 2) EMS Cooperative: EMS Cooperative members who elect not to comply with pay-for performance provisions; and
- 3) All Others: Foreign postal administrations who choose not to be members of the EMS Cooperative.

Subsequently, in the Postal Service’s Notice of the United States Postal Service of Filing Changes in Rates Not of General Applicability, filed in Docket

¹ Order No. 162, Order Adding Inbound International Expedited Services 2 to Competitive Product List, Docket Nos. MC2009-10 and CP2009-12, December 31, 2008. See also Docket No. CP2009-57, which addressed Inbound International Expedited Services 2 rates for 2010.

³ Request of the United States Postal Service Regarding Inbound Express Mail International (EMS) from Foreign Posts to Add Inbound International Expedited Services 2 to Competitive Product List; and Notice of Establishment of Rates and Classifications Not of General Applicability, Docket Nos. MC2009-10 and CP2009-12, November 19, 2008, at 2.

No. CP2009-57, the Postal Service reiterated that, as it had “indicated previously, all members of the EMS Cooperative are now expected to participate in the Pay-for-Performance Plan” starting in calendar year 2010.⁴ Thus, the former three-tier structure for Inbound International Expedited Services 2 has now been consolidated into two tiers:

Tier 1: postal operators with a performance-level agreement, such as EMS Pay-for-performance Plan participants and Kahala Posts Group members (former tiers 1 and 2), and

Tier 2: all other postal operators that transmit EMS to the United States (former tier 3).⁵

On August 19, 2009, the Commission issued Order No. 281, which determined that the Postal Service’s “proposed rates for Inbound International Expedited Services 2 are in accord with the relevant statutory and regulatory requirements.”⁶ In neither that Order nor any succeeding Order concerning Inbound International Expedited Services 2 rates⁷ did the Commission direct the Postal Service to file a quarterly update of the list organizing the agreements to be grouped under the two modified tiers, as it had in Order No. 162 with the original three tiers. Nevertheless, in keeping with the Commission’s direction given in Order No. 162, the Postal Service provides the attached listing of the countries assigned to the two tiers from April 1, 2011, through June 30, 2011.
